14" Hi hat
18" Crash cymbal
10" Splash cymbal
22" Ride cymbal
20" Crash cymbal
20" China cymbal

Roland TM-2 Trigger Module

Roland RT-30K Kick trigger

Roland RT-30HR Snare trigger

Sound

Monitors: In-ear monitoring except for singer - 3x monitors in the front with guitars and samples, back vocalist/guitarist needs his vocal in front monitor

Microphones: 2 vocals in total, main microphone Sennheiser EW100-945 G3 own, second microphone please provide, ideally Shure SM58

DI Box: We have ours.

Outputs: 8x XLR multicore cable from splitter (**lead vocal, guitars, bass, snare, kick, sample L, sample R**), back vocal conducted separately

Fog

We have our own small sized fog machine. If there is an additional one, we will be happy to use it.

Additional Equipment

Banner: we have our own banner sized 4x2 m. If it is not possible to use the banner but there is an LED screen available, we have an animated logo with other materials in a total length of 45 minutes, format .mp4, resolution 4K, size 5-6 GB.
